

TUALITY LEAGUE

2013 CAMPOREE

To: All Tuality and Ft. Clatsop District Boy Scout, Varsity, and Webelos Leaders

Subject: Boy Scout Camporee –May 3, 4 & 5 2013

WELCOME SCOUTS AND SCOUTERS!!!

This year’s Camporee will be held at Beneke Creek, Jewell Meadows Wildlife Area, near Jewell, Oregon. A map is enclosed. Drive time from Hillsboro is approximately 75 minutes.

This year’s Camporee...

Senior Patrol Leader	Tyler Twedt	(971) 275-0972
Assistant Senior Patrol	Mason Emery	(503) 927-6386
Assistant Senior Patrol	David Mudd	(503) 681-9298
Scoutmaster		
Assistant Scoutmaster	Andy Cummings	(503) 359-0805
Camporee Chairman	Mike Van Dyke	(503) 642-5338
Camporee Administration	Dave Heesacker	(503) 849-6098
Camporee Fire Marshall	Pierre VanDerSluys	(503) 706-7465
Camporee Program	Paul Wanner	(503) 640-8078
Order Of The Arrow Advisor	Bob Derbyshire	(503) 324-0923

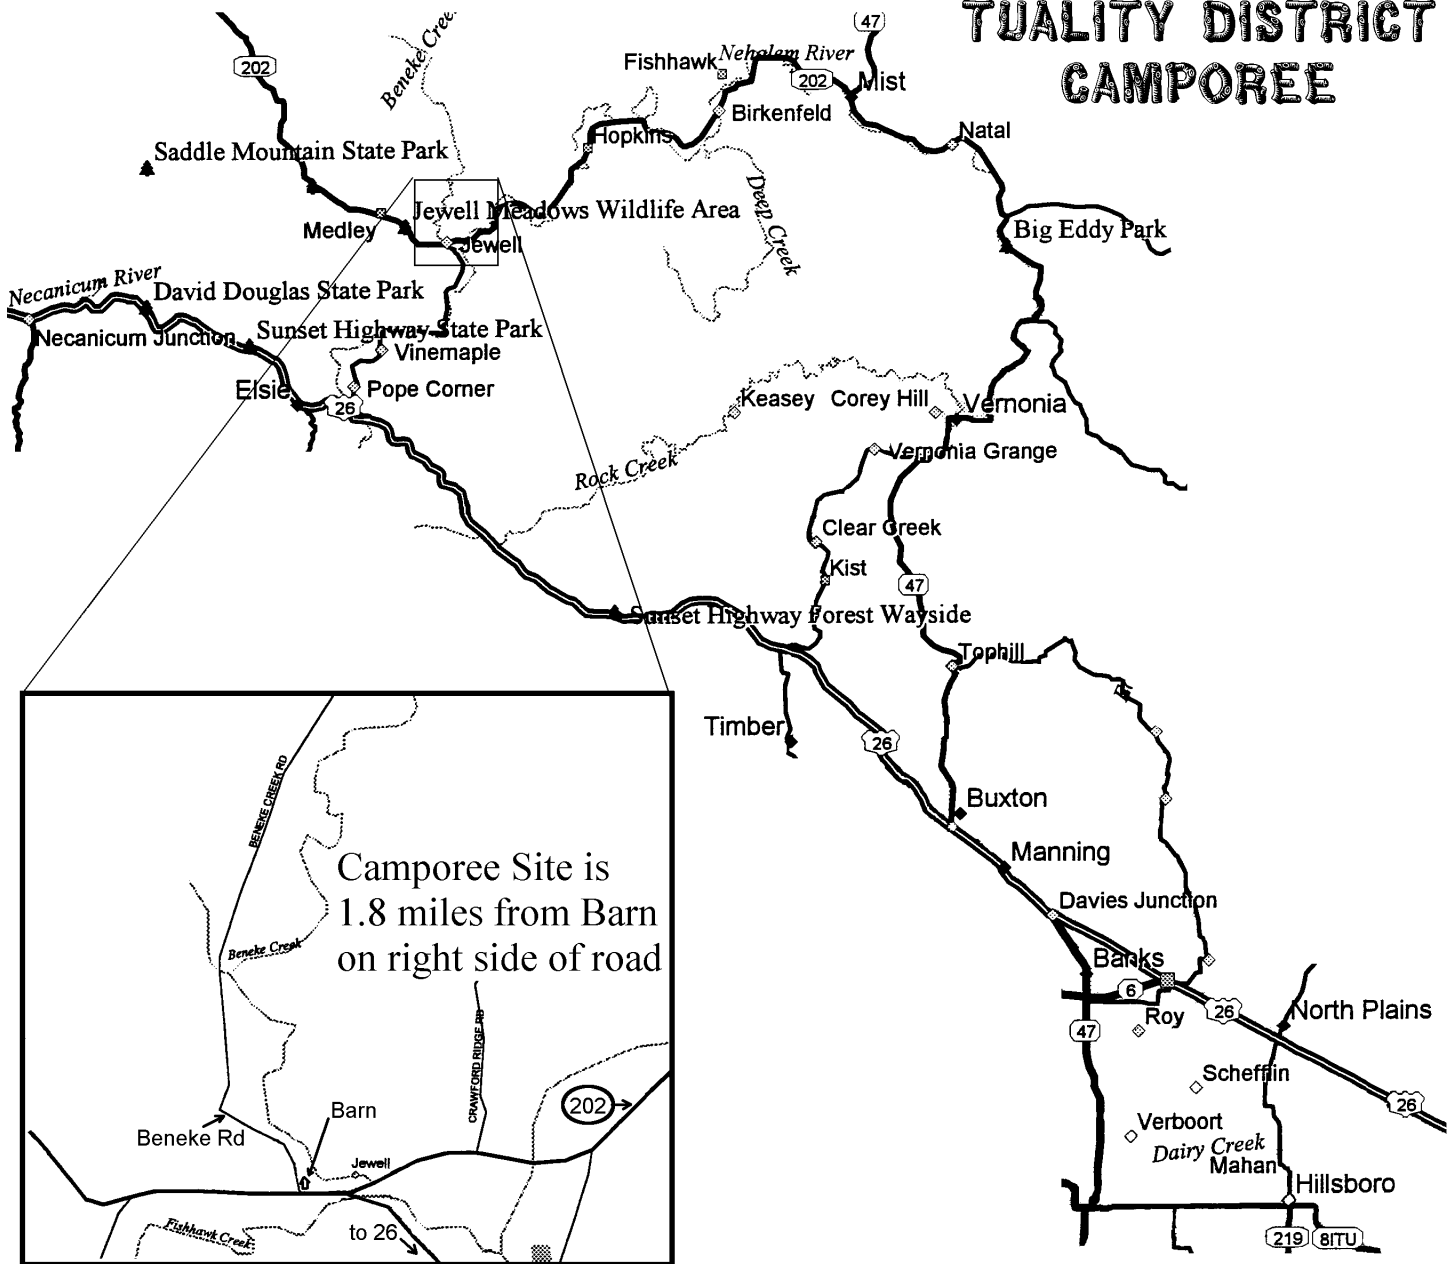

If you have questions, they would be happy to answer them for you – please give them a call!!

Planning for the 2012 Camporee is in high gear! We are working to plan the best Camporee ever! The planning is accomplished at regular meetings of the Tuality Chapter of the Order of the Arrow meetings on the 2nd Thursday Roundtable at the Hillsboro LDS Stake Center & 3rd Thursday chapter meeting held at Helvetia Community Church at 7:17pm.

Camporee Objectives:

- This will be a Boy Scout Camporee, for the Tuality District Boy Scouts and Webelos.
- There will be maximum Second Year Webelos unit participation Sponsored by Boy Scout units.
- There will be maximum youth participation at all events/activities at the Camporee.

TUALITY DISTRICT CAMPOREE

Camporee Guidelines

PRE-REGISTRATION AND REGISTRATION - VERY IMPORTANT!!!

Register fees are collected at Round Table April 11 2013

In Pre-registration of youth, by patrol, by the deadline of the **April Roundtable (Tuality - Apr 11th, Ft. Clatsop - Apr 11th)** is vital. Patrols registered by this date will be scheduled into the Saturday games. Patrols not registered by this date, or “walk-ons” at the time of Camporee, will not be scheduled. The Patrol Registration Form is included in this packet. **You will need to duplicate this form as one form is required for each patrol pre-registered.** The form includes a place for the adult Event Staffer to be listed. Each patrol registering must have one adult registered as an Event Staffer. This adult will be on duty as Event Staff running an event while the events are open to the patrols (Saturday from 9:00 am to 12:00 pm and 1:30 pm to 4:00 pm).

Again this year ... All adults in a unit are to be registered on the Adult Registration form found later in this packet. All Adults, including those listed as event staffers on the Patrol Registration form are to be included. To facilitate planning, units who have adults who would be available to serve as Event Staffers, in addition to those

listed on the Patrol Registration form, those names can be marked on the Adult Registration form as such. We appreciate all of the adult support that we have had over the years and look forward to another great year.

When you are paying at the April Roundtable...make checks payable to **Tuality District BSA**.

All forms and fees are due by the April Roundtable (Tuality - Apr 11th, Ft. Clatsop - Apr 11th). You may deliver the check to the Camporee Staff at a regular planning meeting or at a Tuality District Roundtable.

Each person, Scout or Scouter, is requested to check in with the Registration Staff upon arrival, regardless of anticipated level of participation or length of stay.

Second-year Webelos Dens or individual second year Webelos Scouts planning to spend a night must register. Webelos Scouts need to pre-register using the form found later in this document. While it is important that the Webelos group be associated with a Boy Scout Troop, we need to have the Webelos group register separately.

Webelos Day-Pass – Webelos Scouts and Webelos Parents can visit for the day for **FREE!** We want to see all of the Second Year Webelos Scouts (4th graders) at Camporee. This **FREE** pass is available only for those who will be day visitors. If you camp overnight, each Webelos Scout and each adult is required to pay the \$11.00 Camporee Fee. For more information on the Webelos Scout participation at Camporee, please refer to the **Webelos Scout Guidelines** section.

Any person leaving the Camporee is requested to check out with the Registration Staff.

The registration process accomplishes more than just gathering data for statistical purposes. In the past, Camporee Staffs have received inquiries regarding the whereabouts of “so-and-so” for reasons ranging from “would like to know” to “family emergency and **MUST FIND!**”

FEES - Register fees are collected at Round Table April 11, 2013

Any person planning to attend or participate at Camporee is required to register with the Registration Staff. Any person paying a fee will receive a Camporee Patch. Any adult planning to merely observe or supervise their Scout(s) for Friday evening or Saturday events/activities and will not be staying over either night need not pay a registration fee. However, please register with the Registration Staff upon arrival and departure. If you need to leave and will return, you must check out and then back in. **NOTE: If someone is staying overnight, they must pay the registration fee.**

PRE-registration	\$ 11.00 per person (by April 11 for <i>scheduled</i> event participation)
Registration	\$ 11.00 per person (after April 11) NOTE: <u>boys will not be scheduled for events</u>
Staff Registration	\$ 11.00 per person (register with the Camporee Chairman or Camporee Scoutmaster. You will be required to supply a medical form when you arrive at Camporee. A physical is not required, but the emergency contact information and health history is required. You may optionally register with your home unit. If you register with your home unit, be sure that they use the enclosed Staff Registration Roster .) If you register with your home unit, your patch will be given to the home unit.
Webelos Day Pass	FREE (<i>registration upon arrival at Camporee is required</i>)
Partial Fees	<i>There is no partial fee at this year's Camporee.</i>

Boy Scouts planning to participate in the events must be registered no later than April Roundtable (Tuality - April 11, Ft Clatsop – Apr 11th).

CHECK IN

Plan to arrive on Friday evening, May 3 between 4 pm. and 8 pm. No vehicles will be permitted to cross the bridge before 4pm, other than Camporee staff vehicles.

ITEMS REQUIRED AT CHECK IN ON May 3

- ❑ Receipt, or canceled check, if pre-paid
- ❑ Fees for any late registrations or additions, including any Webelos guests
- ❑ Tour Permit (Properly Filed with Council)
- ❑ Medical Forms (as appropriate for all Boy Scouts, Webelos guests, and adults)
- ❑ Unit Roster (including and identifying the Boy Scouts, Webelos guests (boys and adults), and adults) If you print your own roster, please provide two (2) copies for the Registration Staff
- ❑ Vehicle Roster (those vehicles to remain at Camporee, including the vehicle to cross the bridge)

TOUR PERMITS

All units, Cub Scout, Boy Scout, Varsity Teams, and Venturing Crews that attend Camporee must properly file a **New tour permit**. Responsibility for the Tour Permit lies with the unit. A **New tour permit** application is available on the Cascade Pacific Council web site www.cpcbsa.org by going to the Forms section and going from there to the Scout Activities section.

MEDICAL FORMS

Each unit must bring their Health and Medical Records for all Scouts and Scouters who will be participating at this Camporee. All Webelos Scouts must bring their Health Medical Records, as well. The Camporee Scoutmaster would like a list of specific medical problems, youth and adult. This list may become very important to that boy who is allergic to bee-stings and gets stung!! Unit Leaders are requested to provide a list of qualified medical personnel that will be with their unit at Camporee. The Unit Leader will turn in the medical forms, the "problem" list, and qualified medical personnel list to the Registration Staff at check in. They will all be kept and turned over to the Camporee Scoutmaster and Medical Staff, where they will remain for the duration of the Camporee or until needed.

PARKING

Please observe any "NO PARKING" zones. All units are **highly encouraged** to maximize use of car-pools. Our parking area has been designated to be some irregular fields close to the entrance to the refuge area from the roadway. The area will be marked and parking is permitted only in those areas. You will need to park toward the back of the area if you are leaving on Sunday and toward the front if you are leaving on Saturday night. The parking staff will assist you.

Each unit arriving on Friday will be permitted to have one (1) vehicle cross the bridge. Larger units may have more vehicles cross the bridge at the discretion of the parking staff. Each unit will be issued a special parking pass for that vehicle. Vehicles that cross the bridge on Friday are to remain across the bridge in a specially designated parking area until departure from the Camporee (Saturday evening or Sunday morning, depending on when the unit departs). No vehicles will be permitted to cross the bridge without permission from the Camporee staff. Exceptions will be handled on a case-by-case basis. If there are handicap or special needs issues, please contact the Camporee staff prior to Camporee.

All vehicles departing Saturday night that are in the special camp side parking area (have crossed the bridge) are to be moved before campfire gathering. We would like the memories of the campfire and Scout vespers to be carried back to the tent sites with as little vehicular disruption as possible.

Webelos visitors on Saturday, either staying for the day or overnight, must check in with registration before visiting Troops or joining in the games. No vehicles of Webelos visitors will be permitted to cross the bridge. All gear must be walked in, so plan accordingly. If there are handicap or special needs issues for Webelos units, please contact the Camporee Staff prior to Camporee.

CHECK OUT

Any person or unit leaving the Camporee is required to check out with the Camporee Registration Staff. Normal check out will be Sunday morning after Chapel Service and Flag Ceremony. Units needing to checkout earlier are requested to make arrangements with the Registration Staff at check in time. Check out involves a successful campsite inspection, conducted by Camporee Staff personnel. Upon successful check out, all unit paperwork, Camporee patches will be given to the Unit Leader. **Individual patches will NOT be given out**, unless the individual checking out originally registered as an individual. All individuals in the unit must make arrangements with the Unit Leader to get their patch.

CRACKER-BARREL

The Senior Patrol Leaders and Unit Leaders and all Event Staff from each participating unit are expected to participate at these events. These events gather together the unit leadership of each participating unit with the Camporee Staff for the primary purpose of providing an opportunity for 2-way discussion. These will be important events for two (2) reasons:

- ❖ Latest information and/or changes regarding the Camporee will be provided by the Camporee Staff
- ❖ Feedback, or constructive criticism, from the unit leadership regarding the Camporee will be solicited and welcomed by the Camporee Staff

FLAG CEREMONIES

All units are expected to participate in each of these events, which are critical to communications between the Camporee Staff and all units. Please be on time! Remember, to be early is to be on time. Last minute information may be passed at these events. Any unit may volunteer or may be asked to perform a flag raising or lowering ceremony. Please inform the Camporee Senior Patrol Leader if your unit is interested. Be advised that the Camporee Senior Patrol Leader may require an audition!

PARTICIPATION AWARDS

Each Boy Scout unit will receive a PARTICIPATION AWARD. Additionally, each participating (PAID) Boy Scout, Webelos Scout, and adult will receive a Camporee Patch.

CAMPING AND EATING

All Webelos Dens and individual Webelos Scouts are expected to camp and eat with their sponsoring Boy Scout unit. Specific arrangements are left to the discretion of the Boy Scout Unit Leader. Please refer to the **Webelos Scout Guidelines** section for more information. Except for the Cracker-barrel, no food or water will be provided by the Camporee staff. Each unit must make arrangements for bringing and preparing their own meals.

WATER

There will be no water provided at this year's Camporee. **Each unit is required to provide it's own water!** HINT: If each boy brings two 1-gallon containers of water, each unit should have a sufficient amount for the weekend.

COOKING AND FIRES

Open fires of charcoal and/or wood and stoves using liquid fuel and/or propane may be used at Camporee in accordance with the Boy Scouts of America (BSA) policy. Refer to the **Guide To Safe Scouting** for further information on the use of these fuels. The Camporee Staff will not provide charcoal, wood, liquid fuel, or propane. Units are advised to bring their own supplies.

NOTE: Before lighting a campfire, a unit must have a **Fire Permit** from the Camporee Fire Marshall posted in plain site. A camp fire is any fire, including but not limited to wood fires, charcoal cooking fires, or other similar fueled fires. Before issuing the **Fire Permit**, the Camporee Fire Marshall will check the Campfire Container, the fire protection system (fire buckets at tents and backup water supply), and the unit's fire suppression tools. The Campfire Container must keep the fire at least 12" above the ground.

Campfires will be permitted only in above ground fire containers. The campfire must not scorch the grass or soil below the container. Campfires must be attended at all times and appropriate water containers and fire shovels must be present. The Camporee Fire Marshall may ask the unit to move the location of the fire container before issuing the **Fire Permit**.

The Camporee Fire Marshall will require an adequate number of fire-cans filled with water for fire related emergencies. "Adequate" means one (1) 5-gallon bucket of water at each campfire location and at least one (1) 3-pound coffee can, or equivalent, of water at the front of each tent. Two (2) cans per tent would be ideal.

UNATTENDED CAMPFIRES MAY BE SUMMARILY EXTINGUISHED!

AND ... THE PRIVILEGE OF HAVING A CAMPFIRE MAY BE REVOKED!

Boy Scout Unit Leaders will be responsible for ensuring that all liquid fuel containers and propane canisters not attached to a cooking device or lantern are properly stored. Refer to the **Guide To Safe Scouting** for further information on the storage and handling of fuels. If you have any questions or concerns regarding safe handling and storage of fuels, please contact the Camporee Scoutmaster or the Camporee Fire Marshall. Before your Unit leaves Camporee, all remaining charcoal and/or firewood must be removed from your site.

GARBAGE, TRASH, AND GRAY-WATER DISPOSAL

Units will be permitted to dispose of wastewater resulting from washing/rinsing dishes, hands, clothes, etc., which is known as GRAY-WATER. Foodstuffs that may have collected at the bottom of the washbasin are NOT defined as GRAY-WATER, nor is paper, glass, aluminum, steel, etc., no matter how much some may wish to consider that as "biodegradable". This "stuff" is GARBAGE and TRASH, and must be "carried out".

Remember that GRAY-WATER disposal is a privilege. Care should be taken to safely dispose of GRAY-WATER in the field away from the creek. Old nylon stockings stretched over a 5 gallon plastic bucket make a good strainer, so that the water and solids can be separated.

FIELD EVENTS

All field have been selected based on a "fun challenge" scale. Obviously, not all events will be challenging for all boys. Likewise, not all events will be "doable" by all boys. The goal is to provide a "fun and challenging" experience for all boys participating at this year's Camporee. If you have any questions about any event, please ask.

It is suggested that all units get their Camporee Patrols organized and PRACTICE, PRACTICE, PRACTICE!! Events use all manner of Scout skills. There will be teamwork required. Like previous years, the events at this year's Camporee will be staffed by adults, who have been identified at registration (one adult event staffer listed per registered patrol plus other available adults listed on the Adult registration form).

REMEMBER: Participation in the field events is predicated upon ***PATROL registration at April Roundtable (Tuality - Apr 11th, Ft. Clatsop - Apr 11th)***.

PATROL SIZE

The ideal patrol size is eight (8) members. If the patrol size is smaller than 6 members, its size can be increased for Camporee by moving members into the patrol from other patrols or combining patrols. If the patrol size is larger than 8 members, the size should be reduced before registration. If your patrols are not sized to match the patrols they will compete with, it makes it very difficult to have fun. When registering, please complete all information on the Patrol Registration form.

When completing the Patrol Registration form, be sure to indicate the patrol name, the first names and last initial of the boys, and their ages. It is very important that all of this information be present so that the program staff can set up the patrol rotations.

NOTE: Under no circumstances should Webelos Scouts be members of a patrol along with Boy Scout or Varsity Team members. Camporee is a program for Boy Scouts and Varsity Teams. Webelos Scouts are guests and have limited participation rights. If a team is found to contain Webelos Scouts, the team may be disqualified from participating.

ADULT PARTICIPATION

When a patrol pre-registers, a minimum of one adult must be registered with the patrol. This adult will be on duty as Event Staff Saturday from 9:00 to 12:00 and 1:30 to 4:00 when the events are open to the patrols. The Event Staff will be responsible for setting up, running, and cleaning up the event area during the entire event time. On the recommendation of the Unit Leader and the approval of the Camporee Program Coordinator, older youth members of a troop, team, or crew may serve as event staff. Event Staff positions are a great way to have new parents to Boy Scouting participate in Camporee. If your unit has extra adults attending Camporee, they are welcome to become part of the Event Staff. All adults attending Camporee are to be registered on the Adult Registration form and on that form, there is a place to indicate those extra adults who will be members of Event Staff. All Event Staffers will receive a special hat as a thank you for the extra special help they provide to make Camporee a great event.

PATROL GEAR

All members of the patrol are expected to have a Totin' Chip and a Fireman Chit so that they may handle knives, axes, hatchets, saws, and fire. All members of the patrol are encouraged to carry the Camporee Essentials (Compass, Matches, Pocketknife, First Aid Kit, Rain Gear, and Water) at all times during the events.

If patrol members are not prepared for the events with these essentials, they may not be able to compete. It is hard to shoot a compass bearing without a compass.

CAMPOREE GATEWAY COMPETITION

This year there will be a new competition where we will be judging gateways that best tie to the theme of Camporee. We will be judging during the afternoon games so all construction should be done by noon. There will be an award given for "Best of Show"

EVENT SCHEDULING

There are more events than there are time periods for events to run. Some events are reserved for older age patrols and some are reserved for younger age patrols. Patrols with similar ages will compete against each other when possible. Because there are more events than event time periods, it will not be possible for a patrol to compete in every event. The patrol will be given its participation schedule on Friday during check in. The patrol may not change its schedule. Additionally, when the signal to change stations is sounded, the patrol must proceed immediately to the next station on their schedule. If the event was not complete, no award will be made, even if one patrol was ahead of the other at the signal to change events. Patrols must be quick to get to their next station and ready to participate. Any and all First Class Scout skills may be needed to participate in an event, so each patrol should practice their Scout skills.

Event maps and patrol schedules for Saturday's events will be available at the SPL/SM meeting on Friday evening. Event maps for Webelos guests will be available at registration after lunch on Saturday.

(Patrol flag)

All patrols will need to bring their patrol flag that best represents the patrol to Camporee. The totem has to be easily carried around by the Patrol. The Totem must be able to survive the elements and the wear and tear it will receive as the patrol moves from station to station. Because we know how hard the patrols will work to make their totems, it will be judged and prizes will be awarded. Some of the categories may be:

**Best Visual
Most Creative**

**Special Effects
Best Original Design**

**Most Inventive
Best Use of Sound**

**Best Use of Light
Best Theme**

Patrols should have their totem with them at all Saturday assemblies and during events. The judges will be looking out for them. It will count toward spirit!!!

SPECIAL EVENT TIME

The time period from the end of the scheduled events (3:30pm) to the beginning of dinner preparation (5:00pm) is the Special Event Time. During this time, **“Tuality’s League of Extraordinary Gentlemen”- High Adventure Relay**, the **Boatman Challenge**, and the **Hawk Off** will be held. If a unit is interested in demonstrating skills, or operating another special event, please contact the Camporee Senior Patrol Leader for advance permission. Any additional event should be brought to the attention of the Camporee Staff as soon as possible, so that facilities and other planning can occur. If your unit has questions about conducting a special event, please attend the Camporee planning meeting, held on the 2nd Thursday Roundtable at the Hillsboro LDS Stake Center & 3rd Thursday chapter meeting held at Helvetia Community Church at 7:17pm.

Each and any unit is free to set up unit specific advancement opportunities within their camping site. If any unit has questions regarding what resources might be available, please ask the Camporee Staff.

“The Walk of Fame”– HIGH ADVENTURE RELAY

Designed for teams of boys 13 and older, **“Tuality’s League of Extraordinary Gentlemen” - High Adventure Relay** will be a timed race. The team size is **four (4)** boys, no more, no less, all of whom must be a minimum of 13 years old and not yet 18 years old by Saturday of this year’s Camporee. The event will involve canoes in the not-so-typical Camporee fashion. This year, there will be a few new twists and challenges. Be prepared to get dirty and challenge all the skills you didn’t realize you needed. To facilitate the event, we have included a registration form in this packet. **“Tuality’s League of Extraordinary Gentlemen” - High Adventure Relay Registration Form** is to be completed and turned in when all the other forms are due...*April Roundtable (Tuality - Apr 11th, Ft. Clatsop - Apr 11th).*

BOATMAN CHALLENGE – NEW TIME - 4:15PM

Designed for boys of all ages, including Webelos Scouts, this event is the Boatman Challenge. The mountain men of the early 19th century often used the rivers and streams to carry their provisions and the results of their logging activities. The challenge will be to build a small boat which will have to carry a small parcel along the creek from the start to the finish. The parcel will be a measure of flour wrapped in a paper towel. Each Patrol or any other grouping may enter the event. The Patrol must construct a boat using natural materials and cotton string. No Man-made materials of any other kind may be used. The boat must be constructed before coming to Camporee. When completed, the boat must completely fit inside a #10 can (same as large coffee can). The bundle will be added to the boat by the event staff when the boat is readied for the event.

The boat will be set afloat down the creek and pulled out after crossing under the bridge. If the flour is dry, the Patrol will be awarded a Mountain Man Totem for successfully navigating the treacherous waters. If the flour is wet, the Patrol will be deemed to have been the lesser boatman and awarded the Outlander Totem. **There will be no Scouts in the water.**

Advance registration is not required for this event, just show up with the already built boat!

HAWK OFF

This is an invitation only events. At the discretion of the Event Staffers running the event during the regular program time, some individuals will be invited back to compete for the best of the Camporee in this event.

VOLUNTEER STAFF

The "all volunteer" Camporee Staff will consider all adults attending Camporee as "all volunteer". As such, they may be subject to requests for assistance with various activities or functions. The "cheerful support" of the "all volunteer" force at Camporee will be greatly appreciated!!

CAMPFIRE AND ORDER OF THE ARROW CALLOUT

The Camporee Campfire will be conducted Saturday evening at 8:30 PM. All units will be requested to wait at their campsite for an **Arrowman Guide** to "fetch" them and guide them to the Campfire site.

The Campfire entertainment will be provided by the Patrols of various units at the Camporee. Each Patrol will be scheduled for one event period to be at an event called **Meeting the Producers!** The Patrol is highly encouraged to try out new material (hint, hint!!! We love new material! If it is new and different, and of course is Scout appropriate, we want to see and hear it!). A Patrol will have enough time to try out a particular skit more than once, or try out multiple skits and/or songs. If props are needed for the skit or song, they should be carried with the patrol to the event. The Camporee Senior Patrol Leader will notify patrols of their selection into the Campfire program.

Scheduled into the Campfire activities will be the Order of the Arrow Callout Ceremony. In this ceremony, the Tuality Chapter of the Order of the Arrow will briefly explain the Order of the Arrow and will announce this year's candidates, as elected by the youth of each unit.

RESTRICTED AREAS

There may be areas marked as "restricted" around the campground as they become necessary. On the whole, the only areas strictly "OFF LIMITS" for the duration of the Camporee are:

- ❖ Beneke Creek, unless temporarily used for an event
- ❖ ALL WATER, unless temporarily used for an event
- ❖ ALL WILDLIFE

There may be a minimal amount of POISON OAK around and about the campground. Please advise your Scouts, Webelos guests, and Scouters.

The park staff has asked our event to minimize the activities in the grass fields, unless these have been specifically mowed for our use. Generally, all of the fields beyond the event areas are to be kept out of. There will be a path mowed for traveling to the campfire on Saturday evening.

TRANSPORTING SCOUTS

All transportation of Scouts to, from, and within the Camporee grounds will be in accordance with BSA policy. **Seatbelts are required at all times. NO Scout shall be transported in the back of a pickup truck!** For further information, please refer to the **Guide to Safe Scouting**.

ORDER OF THE ARROW

The Tuality Chapter of the Order of the Arrow (OA) has been the catalyst for all planning and staffing for this Camporee. All OA members are encouraged to participate on staff during the Camporee weekend. However, to do so, participation in the planning meetings is critical and necessary. Unit Leaders need to ensure that OA Staff participation will not negatively affect their unit's operation during Camporee.

SERVICE PROJECTS

None is scheduled for this year's Camporee.

MIDWAY

None is planned for this year's Camporee.

TUALITY LEAGUE cook-off

An Adult Cook off is planned for this year's Camporee. All dishes must be ready for judging at **3:45PM**, Saturday. Details of the location of judging will be given during the Friday evening Cracker barrel.

Adult teams will need to prepare a "**meal**" that represents a movie by name and presentation. An example would be "Fried Green Tomatoes" or baked beans of "Blazing Saddles fame". The ingredients must be authentic to the theme. Be prepared to discuss the ingredients you choose, your recipe, and your presentation of the meal to the judges and graded on originality. There will be four judges.

The Games

Patrol vs. Patrol events are where two patrols compete against each other. Single Patrol events are where a patrol competes against a standard.

NOTE: Events are for either the Older, the Younger, or Both patrol groupings. Some patrol events in the Younger rotation will also be available for participation by the Webelos guests during times where there are no Boy Scout patrols participating at that event. Some patrol events are closed completely to Webelos guests. To learn more about which events are open to Webelos guests and when they are open, consult the Event Schedules available when you check in on site.

Webelos Scout Guidelines

WHO CAN ATTEND

For the purpose of Camporee, Second-year Webelos Scouts are 4th grade boys who began the current school year as Webelos I Scouts and will graduate to Webelos II Scouts by summer and also 5th grade boys who have not yet crossed over to Boy Scouts by Camporee. If you have any questions about whether a Webelos Scout is eligible to attend Camporee, please ask.

SPONSORSHIP

Second-year Webelos Dens, or individual second-year Webelos Scouts, may participate at Camporee, but only as a guest of a Boy Scout unit. As such, they are considered to have been invited by the sponsoring Boy Scout unit and are the responsibility of the Boy Scout Unit Leader during the course of the Camporee.

Each Boy Scout unit is encouraged to sponsor second-year Webelos Den(s) at Camporee. Therefore, each Boy Scout Unit Leader is highly encouraged to take the initiative and contact Second Year Webelos Den(s) offering to be its (their) sponsor at Camporee.

Second Year Webelos Unit Leaders are encouraged to contact a Boy Scout Unit Leader to express your interest for a sponsor so that your boys may participate at Camporee. Second Year Webelos Unit Leaders having difficulty obtaining a sponsoring unit should give your Unit Commissioner a call for a name & phone number or come to the Camporee planning meetings.

WEBELOS ADULTS

Each Second-year Webelos Scout should be accompanied by at least one (1) adult partner (i.e., parent or guardian). However, a ratio of one adult for up to three Webelos Scouts can be used if there is difficulty having a parent or guardian attend. It is important for the parent to be involved so that they can see what Boy Scouts is all about and to help them be better able to guide their son in making choices for his Boy Scout transition.

Hereafter, whenever “Webelos Scout” is referenced, the adult partner is included.

Each Webelos Den should be accompanied by its Webelos Unit Leader. However, all adults registering with a Webelos Den will be considered a Webelos Unit Leader at Camporee.

REGISTRATION

Every Webelos Scout must register with the Registration Staff, regardless of the length of stay or degree of participation. This may be accomplished as a member of a Webelos Den or as an individual Webelos Scout. In either case, the Webelos group must pre-register using a separate form which is different than the form used by the Host Troop. There is information that is needed regarding the Webelos group that appears on the form.

Second-year Webelos Scouts may stay the entire weekend, at the discretion of the sponsoring Boy Scout Unit Leader. However, it is strongly encouraged that Webelos units postpone their arrival until noon Saturday, for greatest “fun” factor for the Camporee experience!

Second-year Webelos Scouts may also visit Camporee for the day only on the **FREE** pass. No matter which way the Webelos Scout visits Camporee, for just the day or camping overnight, they must visit registration when they arrive on site to check in.

FEES

There are two options for fees at Camporee. If the Webelos Scout (and adult partners as well) is visiting for the day only, there is a **FREE** participation option (*Note: there is no patch given for the **FREE** day pass*). If the Webelos Scout (and adult partners as well) is spending the night, then an \$11.00 fee per Webelos Scout and per adult partner is required and pre-registration is also required.

FIELD EVENTS

Webelos Scouts are expected to arrive at this year's Camporee around noon on Saturday to join their hosting Boy Scout unit and to provide them sufficient time to set-up camp before they try their hand at various events. Cub scouts may participate at stations only where there are no Boy Scout patrols scheduled and only with sufficient ADULT supervision, provided by the Cub Scout leaders. Event Staffers will be available at a station, but supervision of the Cub Scouts is the proper role of the Webelos adults. It is highly recommended that the Cub Scouts tour the event sites and look at the Boy Scouts participating to get a feeling for what Boy Scouting is all about!

Please note: There will be **no** events open for Webelos participation until the afternoon on Saturday. If you arrive during the morning session, you may observe only. A map and schedule of events that Webelos Scouts may participate in will be available at the Registration area where you check in. If an event is not scheduled for Webelos participation, it will be noted on the schedule and the map. Any event may be observed, including the events from 3:45 to 5:00 after the scheduled field events are completed.

NOTE: *Under no circumstances should Webelos Scouts be members of a patrol along with Boy Scout or Varsity Team members. Camporee is a program for Boy Scouts and Varsity Teams. Webelos Scouts are guests and have limited participation rights. If a team is found to contain Webelos Scouts, the team may be disqualified from participating.*

BOATMAN CHALLENGE – 4:15PM

Designed for boys of all ages, including Webelos Scouts, this event is the Boatman Challenge. The mountain men of the early 19th century often used the rivers and streams to carry their provisions and the results of their trapping and hunting activities. The challenge will be to build a small boat which will have to carry a small parcel along the creek from the start to the finish. The parcel will be a measure of flour wrapped in a paper towel. Each Patrol or any other grouping may enter the event. The Patrol must construct a boat using natural materials and cotton string. No Man-made materials of any other kind may be used. The boat should be constructed before coming to Camporee. When completed, the boat must completely fit inside a #10 can (same as large coffee can). The bundle will be added to the boat by the event staff when the boat is readied for the event.

The boat will be set afloat down the creek and pulled out after crossing under the bridge. If the flour is dry, the Patrol will be awarded a Mountain Man Totem for successfully navigating the treacherous waters. If the flour is wet, the Patrol will be deemed to have been the lesser boatman and awarded the Outlander Totem. There will be no Scouts in the water.

Advance registration is not required for this event, just show up with the already built boat!

CAMPING AND EATING

Webelos Scouts and their Adult Partner(s) are expected to camp and eat with their host Boy Scout unit. Specific arrangements are left to the discretion of the Boy Scout Unit Leader. Each unit will handle their guests based on their own choices, but it is generally expected that the Webelos Guests will be responsible for their own camping gear, cooking gear, and food.

Webelos Scouts and/or their Adult Partner(s) will probably need some advice from the host unit's leadership regarding food, equipment, and organization.

Webelos Scouts and their adult partners who are visiting for the day only on the **FREE** pass are expected to bring their own food and water for the day. Alternatively, the Webelos group may make arrangements with a Boy Scout unit.

GENERAL RULES

Each Webelos Den & Scout must comply with the rules of the Camporee, as noted in the body of this document.

The Boy Scout Oath & Law should be everyone's way of life.

FURTHER INFORMATION

Please attend the regularly scheduled Boy Scout Roundtables conducted the second (2nd) Thursday of each month prior to Camporee to obtain additional information. You may also attend the regularly scheduled Order of the Arrow meetings conducted the first (1st) and third (3rd) Thursdays of each month prior to Camporee for additional information and/or planning.

Patrol Registration Form

(Submit one registration form per patrol - Reproduce as needed)

NOTE: The unit must provide a minimum of one adult staffer per patrol registered. These adult staffers will be assigned games stations during the game rotation time. The names of the adult staffers are to be provided at registration on the Adult Registration form. Do not include the adult staffer names here. Only the unit leader's name and youth names should appear on this form.

4				
5				
6				
7				
8				

NOTE: You must supply the age of the patrol members. Patrols are grouped by age during the events. The ideal team size is 8 members. The minimum team size that can be registered is 4 members. If there is a possibility that the team will not be 4 members at Camporee, it is best to combine patrols before registration.

NOTE: Patrols must be made up of Boy Scouts and Varsity Team members only. Cub Scouts and Webelos Scouts are not permitted to register as a patrol, nor should units attempt to place visiting Webelos Scouts on a team with Boy Scouts. Cub Scout visitors will be able to participate at selected events. If a team is found to contain Webelos Scouts, the team may be disqualified from participating.
